

“Afterschool Program & Art Class for Kids”

“The Art Experience”

Jaylen Smith

Art Director

A 2023 graduate of McEachern High School, Jaylen will bring a lot of talent and energy to our afterschool program. His love for art is unmatched and we look forward to him working with our elementary school kids. A great art student in his own right and with his passion to work with young students, we are pleased to have Jaylen head up our Youth Art Division.

Students will have the chance to create art projects during the school year under Jaylen's leadership!

- Art Director -

The Academy will offer Art Classes everyday, as part of our Afterschool program. Grades 2nd through 4th will have the opportunity to be creative through drawing and painting.
