

Good Samaritan

Health Center *of Cobb*

"To spread the love of Christ by providing quality healthcare to those in need."

Christ commands us in Luke 10:27 to " 'Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind'; and, 'Love your neighbor as yourself.' " Good Sam will be obedient to this command and operate as a Christian ministry that serves the working poor of our community by providing quality primary and preventative medical and dental services to those who might otherwise go without the care they need.

This will be done at an affordable cost, providing families with a medical home upon which they can depend. As Jesus did in His ministry, we will address our patient's spiritual needs as well as their basic human needs.
