- Outreach 2nd Visit -

It's starts with a vision and a purpose. There nothing like the feeling of giving back to the ones that need it the most. Our clothing drive was a huge success due to the team's willingness to give up the most important thing in their lives, **Time!**

- Outreach 2nd Visit -

Our organization wants to thank our community for donating all of the clothing for our clothing drive. With the help of our **HUGS Cards** that we distribute at our first outreach visit, we were able to fulfill a lot of the group's needs. We had a great selection of shoes.

- Outreach 2nd Visit -

Something for everyone at the **TRIAGE** event! Again, we thank the community for donating to the cause.

- Outreach 2nd Visit -

We want to again thank the **COMMUNITY Group** for all their efforts to make this event a success.

- Outreach 2nd Visit -

Helping people is the standard!
COMMUNITY and **TRIAGE** are setting
the standard one day at a time.

- Outreach 2nd Visit -

Over **\$20,000** in clothing was donated by the local community to the help cause! Thank again to all our teammates who took the time to set a positive and successful event!

- Outreach 2nd Visit -

At **TRIAGE** and **COMMUNITY** it's all about the work! Coordination and organization is a must in order to put on a great event! You have to love what you do!

- Outreach 2nd Visit -

Our hospitality outreach team looks to provide great food for all the people that attend our event. We want to thank **Ingles Supermarket** for providing food for this event.

- Outreach 2nd Visit -

It's take time and pride to be successful and our team continue to show their greatness. Helping others is a huge part of the mission at **TRIAGE**
